**Programme Activity**

Can you draw the other half of 'Ingwe' the leopard cub's face?

Share your picture with your friends on social media using #capeleopardtrustocks!

The Cape Leopard Trust Environmental Education Project facilitates experiences in nature that change the way young people see themselves and feel about protecting the environment. Our aim is to educate and empower young people through connecting them with nature and instilling an attitude of reverence and respect for the natural environment. To find out more about our work visit our website.
