

Activity to support online video lesson:

Predators

1. A predator is an animal that h_____, k_____ and _____ other animals.
2. What do we call an animal that is on the top of the food chain?

3. Give an example of a meso-predator.

4. Where does a meso-predator find himself in a food chain?

5. Connect the predator to its prey.

The Cape Leopard Trust Environmental Education Project facilitates experiences in nature that change the way young people see themselves and feel about protecting the environment. Our aim is to educate and empower young people through connecting them with nature and instilling an attitude of reverence and respect for the natural environment.
