

**Activity to support online video lesson:**

**Animal Spoor**

1. Name the four signs/traces (spoor) of animals discussed in the online video lesson.

---

---

---

---

---

---

2. Give three examples of visual clues that act as spoor.

---

---

---

---

---

3. Name five things that an animal track can tell us.

---

---

---

---

---

---

---

---

---

---

---

4. Connect the animal to its track.

The Cape Leopard Trust Environmental Education Project facilitates experiences in nature that change the way young people see themselves and feel about protecting the environment. Our aim is to educate and empower young people through connecting them with nature and instilling an attitude of reverence and respect for the natural environment.
