Activity to support online video lesson:

Threats to Leopard of the Western Cape

1. Can you help the trapped leopard find his path out of the maze?

2. Explain in your own words the following terms:

2.1: Habitat fragmentation

2.2: Habitat loss

2.3: Human-wildlife-conflict

3. Name 3 indiscriminate and non-selective methods in which leopards are injured or killed.

The Cape Leopard Trust Environmental Education Project facilitates experiences in nature that change the way young people see themselves and feel about protecting the environment. Our aim is to educate and empower young people through connecting them with nature and instilling an attitude of reverence and respect for the natural environment.
